# Lição 14

## Lição de Salvação

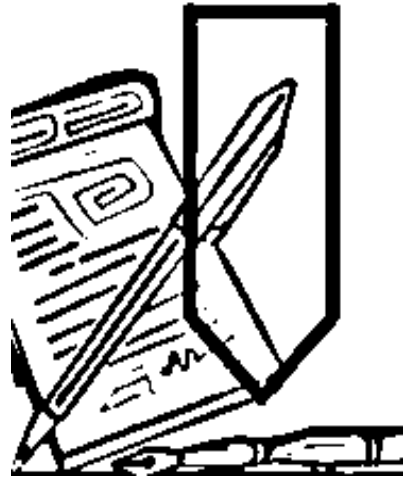

Quando os alunos encontram a Palavra de Deus, o Espírito de Deus trabalha neles e abre seu coração e mente para o que Ele quer comunicar a eles. É por isso que os alunos podem ter mais perguntas depois de ler a Palavra de Deus pela primeira vez. Alguns podem até estar prontos para receber a Cristo como seu Salvador. Ao longo do processo de ensino da Palavra de Deus, devemos recuar para deixar o Espírito Santo falar e interagir com o aluno por meio de Sua Palavra. Esta lição está disponível para uso nos casos onde o estudante quer aprender mais. As etapas para ensinar esta lição são muito semelhantes às das lições anteriores. Você iniciará primeiro com os novos cartões de vocabulário, e, em seguida, fará com que o aluno leia os cartões de frases. Os cartões de frase são compostos por versículos de salvação específicos nas Escrituras. Você encontrará abaixo uma nova lista de vocabulário, as frases, e os versos que as frases refletem. Se você decidir ensinar esta lição, faça-o em espírito de oração e permita que Deus trabalhe.
